

# Support group

## PINNT

Patients on Intravenous and Nasogastric Nutrition Therapy

PINNT is a charitable organisation that supports nutrition therapy patients nationwide and was formed by patients on nutrition therapy.

**The aim of PINNT is to:**

- Promote greater understanding of the therapies amongst patients, potential patients and the medical profession
- Provide communication links between patients to work towards improving homecare services and the range of equipment
- Have a united voice to campaign for a better, more flexible and safer service

## Half PINNT

A category within PINNT for young patients on nutritional therapy and their families. Please see website [www.pinnt.co.uk](http://www.pinnt.co.uk) for details.
